<http://www.reuters.com/article/2012/04/02/pinnacleairlines-idUSL3E8F221720120402>

*Pinnacle Airlines Corp, parent of Pinnacle Airlines and Colgan Air, filed for bankruptcy protection, the latest victim of high fuel prices and dampened travel demand.*

*Memphis, Tennessee-based Pinnacle operates as various regional airlines - most notably Delta Connection - for bigger-name partners including Delta Air Lines, United Airlines and US Airways.*

International Passenger Protection London has subsequently withdrawn cover for this airline with immediate effect.

Please also note that exclusion 2 under Section 1 – Travel Services Provider Insolvency, of our Options Policy, which applies for all policies purchased on or after 3 April 2012, states:

*We Will Not Pay For:*

2. *Insolvency of a Travel Services Provider if at the Relevant Time, the Travel Services Provider was Insolvent or a reasonable person would have reason to expect the Travel Services Provider might become Insolvent.*

*“Relevant Time” in respect of:*

- a) *Single Trip policies means the issue date of the policy.*
- b) *Annual Multi-Trip means the first time at which any part of the relevant trip is paid for or the time at which the policy is issued, whichever occurs last.*

As the possibility now exists that the airline may become insolvent, cover under the Insolvency benefit for any policy purchased on or after 03/04/2012 has been withdrawn.
